

# IOWA ANGUS ASSOCIATION

804 KALE RD  
BOONE, IA 50036

February 15, 2023

Iowa Angus Regional Association,

Thank you for the work you do to promote the Angus breed in your area. We appreciate your involvement there, and as a part of the Iowa Angus Association through your appointed board member.

We have recently reviewed our Articles of Incorporation and felt it would be helpful to let you know what requirements are in place for regional associations to maintain a member on our board. They are as follows:

- must conduct regularly scheduled meetings
- must place an ad in the annual Iowa Angus directory
- must conduct an activity or event that promotes the Angus Breed *(such as a sale, show, tour, or educational workshop)*

Each regional association meeting the above terms is invited to nominate one director and one alternate for the Iowa Angus Association Board at their annual meeting. A director holds a term for three years and can be reelected for one additional term of three years. No person can sit on the board for more than six consecutive years.

Enclosed, you will find a Regional Association Involvement Form. On here, please indicate who your appointed board member and alternate will be and also list your planned activities for 2023. Completed forms can be mailed to Iowa Angus: 804 Kale Rd, Boone, IA 50036.

The full articles of incorporation for the Iowa Angus Association can be found on our website: [iowaangus.org](http://iowaangus.org). Please reach out with any questions.

President Bubba Chapman
