

# Iowa ANGUS PREVIEW

## RULES JUNIOR SHOW

### ELIGIBILITY OF EXHIBITORS AND ENTRIES

1. Exhibitor's must be ages 8-21 as of January 1 with birthdates ranging from January 1, 2002 through December 31, 2014.
2. Exhibitor must be a Junior, Regular or Life Member of the American Angus Association and member of the Iowa Junior Angus Association.
3. Exhibitors in the Bred-and-Owned Categories must be the breeder and the first and continuous owner of the animal entered. "Breeder" is defined as the recorded owner of the dam at the time of service. "First Owner" is defined as the recorded owner of the dam at the time the calf is born.
4. The name listed on the entry form as exhibitor must also be listed on the animal's registration certificate as "Owner" or, if there's joint ownership, the name of the exhibitor is listed as 'breeder' and 'first owner' on the registration certificate.
5. All animals must be registered and transferred to the exhibitor prior to June 1, 2023. Date of issue of the registration certificate must be prior to June 1, 2023.
6. Exhibitors are to maintain full possession of their entries (family possession permissible) from the ownership deadline through the final day of the show.
7. Any animal upon check-in which does not have a legible tattoo corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.
8. The entry fee of \$37.50 per head is needed by June 1, 2023 to Iowa Angus Association: 804 Kale Rd, Boone, IA 50036. If a junior wishes to enter the open show, they will need to submit an additional \$5. Substitutions will be allowed. \$25 will be assessed for late fees.
9. Current health certificates are required on all animals for exhibition, as outlined by the Animal Health Division of the Iowa Department of Agriculture.

### SHOW CATEGORIES

1. There will be classes for bred-and-owned bulls, bred-and-owned heifers, heifers owned but not bred by exhibitor, steers, cow/calf pairs with bred-and-owned calves, and a P&G division. Champions will be selected in each category. Supreme and Reserve Supreme will be selected from Champion and Res. Owned and Bred and Owned Cow Calf, Champion and Res. Bred and Owned Bull, Champ. and Res. Bred and Owned and Owned Heifer, and Champ. and Res. Bred and Owned and Owned Angus Steer.
2. Entries will be listed in the catalog in order of age (youngest to oldest), and will be led into the showing in order of catalog number.
3. Classes will be made up after cattle have been checked in at the show with no more than 15 head in any class. Classes will not be named, but should fall close to the Standard Classification in age breakdown.
4. Division champions in the respective categories will be named. (i.e., calf, intermediate, junior yearlings, and senior yearlings).
5. *Show Classifications for heifers:* Sept 1, 2021 and younger.
6. *Show classifications for bulls and steers:* Jan 1, 2022 and younger.
7. All animals entering the P&G division must have been genomic tested, with a DNA sample on file with AGI, by June 1, 2023. More details on this division available at [iowaangus.org](http://iowaangus.org).

1. Any cow/calf pair may be exhibited provided the calf is bred-and-owned by the junior exhibitor and the following rules are met..
  - a. Cow must be bred-and-owned or solely owned by the exhibitor. If the cow was not bred by the exhibitor, the issue date on the recorded transfer of the cow must precede the breeding date of the cow for the calf at side
  - b. Calf must be the cow's most recent natural calf and must have been born on or after September 1, 2022.
  - c. Calf must be registered by show date.
  - d. There will be separate divisions for Bred-and-Owned vs, Owned Cow/Calf Pairs.
2. **Futurity Show:** Eligible heifers are those that were nominated by their consignor at an Iowa Angus or Regional Iowa Angus sale. Any junior member is eligible, even out of state juniors.

### FITTING AND SHOW GUIDELINES

1. Each entry must be shown by its owner. If an owner cannot show his/her own animal, permission must be obtained from the Advisors of the Iowa Junior Angus Association.
2. Only one person will be allowed to lead each entry in the showing.
3. Any exhibitor who loses control of his/her entry more than twice in the showing will be asked to remove the animal from the ring.
4. Bulls 6 months of age or older must be shown with a nose lead.
5. All entries are subject to Part 3, Section IX of the American Angus Association's Rules entitled 'Eligibility, Conformation, and Structure of Animals Presented for Exhibition'. This includes the Association's mouthing program to verify the age classification of animals in the show.
6. Under the Association Rules, each animal for which entry is received may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE AND BLOOD TYPE as covered under Association Rules Part 3, Section II, Rule 2 (F). Staff of the AAA must supervise the collection of blood samples. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his expense, the Association determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook and the registration certificate becomes null and void.
7. Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited.
8. The Iowa Angus Association has adopted AAA rule that states no color will be allowed on the grounds of the show. This includes the use of graphite, powders, hemp or other similar substances externally, and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. FDA approved implants may be used in steers.

## RULES OPEN SHOW

### ELIGIBILITY OF EXHIBITORS AND ENTRIES

- The name listed on the entry form as exhibitor must also be listed on the animal's registration certificate as "Owner".
- The entry fee of \$37.50 per head will be accepted on or before June 1, 2023.
- Current health certificates are required on all animals for exhibition, as outlined by the Animal Health Division of the Iowa Department of Agriculture.
- Each person exhibiting must be a member of the Iowa Angus Association or the Iowa Junior Angus Association.
- Any animal upon check-in which does not have a legible tattoo corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.

### SHOW CATEGORIES

- Champions will be selected in each category. There will be no Overall Champion.
- Entries will be listed in the catalog in order of age (youngest to oldest), and will be led into the showing in order of catalog number.
- Classes will be made up after cattle have been checked in at the show with no more than 15 head in any class. Classes will not be named, but should fall close to the Standard Classification in age breakdown.
- Division champions in the respective categories will be named (i.e. calf, intermediate, junior yearling, and senior yearlings.)
- *Show Classifications for heifers:* September 1, 2021 and younger.
- *Show classification for bulls:* January 1, 2021 and younger.
- Cow/Calf Pairs
  - Calf must be the cow's most recent natural calf and must have been born on or after September 1, 2022.
  - Calf must be registered by show date.

### FITTING & SHOWING GUIDELINES

- Only one person will be allowed to lead each entry in the showing.
- Any exhibitor who loses control of his/her entry more than twice in the showing will be asked to remove the animal from the ring.
- Bulls 6 months of age or older must be shown with a nose lead.
- All entries are subject to Part 3, Section IX of the American Angus Association's Rules entitled "Eligibility, Conformation, and Structure of Animals Presented for Exhibition". This includes the Association's mousing program to verify the age classification of animals in the show.

- Under the Association Rules each animal for which entry is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE AND BLOOD TYPE as covered under Association Rules part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook and the registration certificate becomes null and void.
- Each exhibitor is responsible for having his/her animal(s) presented in its natural conformation and structure without alternation or modification, except for the grooming of hair and hooves. The exhibition of cattle displaying false tailheads will not be allowed. Painting of skin and surgical alternation of an animal's conformation or appearance is prohibited. Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally, and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. FDA approved implants may be used in steers.

## CHECK-IN DETAILS

### PLEASE BRING

- properly tattooed cattle
- original registration certificate
- health papers
- form of payment (if not already completed)

### REMEMBER:

Bring your original registration certificates and be certain that all tattoos are correct and legible. If you have any tattoo or registration problems contact American Angus Member Services at 816.383.5100.
